Many thanks to Ms Lane and Mr Pearson for staffing the event; the help of the sports leaders was invaluable throughout the day.

### Prime Law Workshop

This week some of our Year 9 students attended a Law Workshop run by industry professionals. Students had a great time engaging in an fun and interactive debate, involving lawyers, where they had to battle it out to decide on a real court case between McVities and HMRC over whether Jaffa Cakes are cakes or biscuits! We had **fantastic feedback** from the law firms about how engaged and analytical our students were about the different parts of the arguments and evidence that was supplied.

**What is your verdict?!**

### Escape Rooms

The problem-solving workshops have been a real success so far, in that they have engaged students in real-world practical problem-solving scenarios that have required students to engage their prior knowledge in an "out-of-classroom" context. Students have used and developed their teamwork skills to compete against other groups of students. All groups have been successful in opening their "mystery box" - the record time is 36 minutes!

It's been fantastic to see students using and applying the curriculum taught skills so enthusiastically!

### Year 11 Prom

Friday saw our final send off to our Year 11 students in the form of their Prom. Students took to the red carpet and fully enjoyed their evening with students voting on the evening for their Prom King and Queen! For the first time in CoPA's history, we had a tie for both King and Queen! With Danila and Omar being voted as our Kings and Ana and Shania as our Queens!

Students danced the night away and were even treated to a staff dance off! Congratulations to Miss Steven's on beating Mr Pearson...there is always next year Mr Pearson!

Thank you to our local partner, Eminence Entertainer, for providing a wonderful set up, as well as to all the staff who helped transform our Main Hall for the evening – it looked spectacular!
