Dear Parent/ Carer

What a wonderfully active week we have had here at CoPA. It is a pleasure to share this week's news and events with you...

Humanutopia Training - Year 10

This week our Year 10 Heroes continued their heroes' journey by taking part in Icon Training with Humanutopia. Here they continued to develop their leadership skills, communication, and teamwork in preparation to deliver inspirational mini workshops to Year 8 students. They worked really hard designing engaging presentations and preparing motivational talks. The Heroes are now working on improving their confidence to deliver these in future tutorial sessions.

Year 8 Football Colts Team

The Year 8 CoPA Colts Football team played against Stanground Academy on Thursday afternoon and turned in an **excellent performance, winning 6-0**. Stanground had taken the opportunity of a post-season friendly to rotate their squad and the Colts took full advantage. The team worked coherently as a unit helped by some outstanding individual performances, including player of the match Jack Redgrave. Jack was amongst the scorers along with Anas Malik (2 goals!), Marlon Gweshe, Alex Sacramento and Captain Henley Moore. There were also excellent debuts from goalkeepers Marius Geben and Denisas Grigaliunas.

Cadets at CoPA

Also, on Thursday, the Fletton, Talavera and Walton Army Cadet Detachment held their first annual army Cadet Parade. The aim of the event was to formally affiliate the Peterborough Detachments and Company HQ with the Royal British Legion, as well as to present awards.

Present at the parade were cadets Naglis Zupla, Joel Greensides, Harry Simpson, Thomas White, and Rowan White. The cadets performed a ceremonial drill, with Rowan acting as the flag bearer. They then operated small activity stations for parents and siblings to try out the drill, fire a rifle, and first aid.

Vaping Workshops

Thursday was a busy day! Also, that day, we were lucky enough to welcome 'Healthy You' to CoPA for the day. They ran assemblies with all year groups looking at the real facts and risks that are linked to Vaping. It was a very informative and a hard-hitting experience for our students, who all came out discussing how impactful it was.
